

EXERCISES – 01

div elements, class attributes, style elements for css, background-color, color, height, width for div container.

Prophet Muhammad PBUH Quotes For Muslims

"The strong believer is better and more beloved to Allah than the weak believer, although, there is good in each. Desire that which will bring you benefit, and seek help from Allah and do not give way to incapacity. If something happens to you, do not say, 'If only I had done such-and-such.' Rather say, 'The decree of Allah. He does what He will.' Otherwise you will open yourself up to the action of Shaitan."

"Once the Prophet was asked: 'Tell us, which action is dearest to Allah?' He answered: 'To say your prayer at its proper time.' Again he was asked: 'What comes next?' Mohammad said: 'To show kindness to parents.' Then what? he was asked. 'To strive for the cause of Allah!'"

EXERCISES – 02

p elements, style elements, margin, padding, color, background-color.

Prophet Muhammad PBUH Quotes For Muslims

"I leave behind me two things, The Quran and My Sunnah and if you follow these you will never go astray."

- Prophet Muhammad.

EXERCISES – 03

margin value auto, p elements, padding, direction property, text-align.

Prophet Muhammad PBUH Quotes For Muslims

"Do not wish to be like anyone except in two cases. The first is a person, whom Allah has given wealth & he spends it righteously; (the second is) the one whom Allah has given wisdom (the Holy Quran) and he acts according to it and teaches it to others."

- Prophet Muhammad. 

EXERCISE – 04

text-decoration-line, text-decoration-thickness, text-decoration-color, text-decoration-style, font-family.

Prophet Muhammad PBUH Quotes For Muslims

"Leave me as I leave you, for the people who were before you were ruined because of their questions and their differences over the prophets. So, if I forbid you to do something, then keep away from it. And if I order you to do something, then do of it as much as you can."

- Prophet Muhammad.
